Salary of Deputy Director, PSB

25X1A

25X1A

1. Transmitted herewith is the file pertinent to the appointment of [REDACTED] as Deputy Director of the Psychological Strategy Board. [REDACTED] entered on duty 11 December 1951 at an annual salary of \$14,800, GS-18.

2. Letter dated 18 July 1951 from the Administrative Assistant to the President refers to the establishment of the Psychological Strategy Board, and includes a request that should a Deputy Director be appointed CIA compensate him at the per annum rate of \$14,000. Letter dated 29 December 1951 amended the letter of 18 July to the extent that a salary of \$14,800 per annum is provided for the Deputy Director of the Board.

3. Because of the retroactive aspects of the salary increase, a question exists as to whether this office may properly compensate [REDACTED] at the rate of \$14,800 per annum for services rendered prior to 29 December 1951. Your early consideration of this matter will be appreciated. Please return the attached file with your reply.
